

# Provender Shopper

## Fresh Food Vending

### Benefits

- User friendly – quick, simple and easy to use.
- Refrigerated – to keep refreshments cool.
- Vend detection – detects when a product hasn't been vended and vends another product.
- Energy efficient – low energy consumption.
- Sophisticated temperature monitoring with auto lockout features to ensure food safety at all times.

### Suitable For

- Businesses that want to provide an around the clock catering solution.

### Product Selection

- Selection of cold food, sandwiches, dairy products, fruit snacks, cold drinks (can and bottle) and confectionery from the leading brands.
- With each product occupying an individual compartment, the Shopper offers you a wide and varied range of products. Each compartment can hold a plated meal or can be separated into a maximum of four segments to offer sandwiches, snacks, dairy products, fruit or cold drinks.
